SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 05-1000934

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. (U) This is an Action Request. See paragraphs 2-5.

¶2. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests posts' assistance in conducting post-shipment end-use checks on license 05-1000934 for the export of aircraft parts to Brazil. Posts are requested to complete this Blue Lantern check within 45 days. Lack of response to this Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

¶3. (SBU) Reason for request: Commodities are in demand by countries, including one in the region, that are subject to U.S. arms embargoes and proscribed as end-use destinations under Section 126.1 of the International Traffic in Arms Regulations (ITAR); routing of commodities raises possible diversion concerns.

¶4. (U) ACTION MADRID: Post should make appropriate inquiries to determine if foreign consignee EADS CASA both received the aircraft parts listed on license 05-1000934 and exported them to end-user the Brazilian Air Force. If possible, post should obtain relevant identifying information in order to facilitate Embassy Brasilia's efforts to confirm ultimate receipt of the parts by the Brazilian Air Force.

¶5. (U) ACTION BRASILIA: Post should make appropriate inquiries to determine if the end-user, the Brazilian Air Force, received the aircraft parts listed on license 05-1000934 from Spanish consignee EADS CASA and that these United States Munitions List (USML) items are being used for the purpose stated on the license. End action.

¶5. (SBU) For background, the following details of the application in question are provided:
